## Volunteering in the Classroom

We LOVE having volunteers here at Utsalady. It's so important for you to be involved in your child's education. Volunteering is one way to be involved. Whether it's working at a Booster Club event, helping in the classroom, being a WatchD.O.G.S. or chaperoning a field trip. Before volunteering you must:

1. Have your Washington State Patrol (WSP) background check completed and into our computer system. The WSP background check lasts for 2 years.
2. Take the Harassment Intimidation Bullying (HIB) training offered by the district or school before volunteering. This is to be completed each calendar year.

## Family Connections Meetings for Kindergarten

Family Connection Meetings are a chance for kids and families to meet with their teacher to build connections before school begins. Meeting will be scheduled with each family, Wednesday, September 6th, Thursday, September, 7th, and Friday, September 8th. Meeting times will come home in the mail.  
First actual day kindergarten students attend a regular school day will be Monday, September 11th.
